

A first in the market to fuel new energy.

Deloitte Corporate Finance, in association with Trident Capital, are proud to announce their involvement in the R1bn debt refinancing of the Soitec 44MW CPV solar project located in Touwsrivier, part of the Department of Energy's Renewable Energy Independent Power Producer (IPP) procurement programme. This will be the largest project of its kind in the world.

Deloitte and Trident Capital (Pty) Ltd were the lead transaction advisors in concluding the successful issuing of the first infrastructure-related corporate bond into the South African market.

Deloitte offers a turnkey project solution to its clients. Whether you require debt or equity financing, BEE advisory, post-financial close project monitoring or project SPV administration, we are able to develop a bespoke solution.
